INDIANA STATE LAW CONCERNING USE OF PARTY LINES
IN CASE OF EMERGENCY

A Statute enacted by the 1955 Indiana Legislature makes it unlawful to misuse party line telephone service in cases of emergency. An emergency is defined in the law as "a situation in which property or human life is in jeopardy and the prompt summoning of aid is essential." The law, in part, reads as follows:
Section 2. It shall be unlawful for any person using a telephone on a party-line to refuse to yield such party-line, when requested to do so, to any person who wishes to place an emergency call from a telephone on such party-line. Any person who violates the provisions of this section shall be guilty of a misdemeanor and upon conviction shall be fined in any sum not exceeding twenty-five dollars to which may be added imprisonment in the county jail for any period not exceeding ten days.
Section 3. It shall be unlawful for any person to obtain the use of a telephone on a party-line by falsely alleging the existence of an emergency. Any person who violates the provisions of this section shall be guilty of a misdemeanor and upon conviction shall be fined in any sum not exceeding twenty-five dollars to which may be added imprisonment in the county jail for any period not exceeding ten days.

TYPES of Calls

When Placing Calls with the Operator

STATION-TO-STATION Dial Direct

Rates are lower than person-to-person.
Charging begins when you are connected
to the telephone number you called.

PERSON-TO-PERSON Dial Operator

Call person-to-person if you want to talk
with a particular person or a particular
extension, department or office served by
a switchboard. Charging begins when you
are connected with the person, extension,
department or office you called. Rates are
higher than station-to-station.

COLLECT Dial Operator

Most calls can be made "collect" if the
person you are calling agrees to pay the
charge. If you want the call made collect,
please be sure to tell the Operator when
you give her the call. For station-to-
station calls within Indiana placed "col-
lect," an additional 10 cents is charged.

CONFERENCE Dial Operator

You can talk with several people in differ-
ent places at the same time. If you wish to
do this, tell the Long Distance Operator
you want to make a conference call.

Please tell her:

1. Special instructions, if any (collect, person-to-person, credit card, etc.)
2. Name of the place you're calling and Area Code if it is different from the Area Code of the phone you're using.
3. Telephone number you're calling.
4. Your number, when Operator requests it.

Direct Distance Dialing

For station-to-station calls from all phones except coin
(For other types of calls dial Operator.)

TO CALL WITHIN AREA 219 (OUTSIDE YOUR LOCAL TOLL-FREE AREA)

Dial 1, then dial the listed number.
Do not dial the Area Code.

	Access Code		Telephone Number
For example: dial	1	then	555-2368

TO CALL OUTSIDE AREA 219

First dial 1, then the distant Area Code and Telephone Number.

	Access Code		Area Code		Telephone Number
For example: dial	1	then	311	then	555-2368

GIVE OPERATOR YOUR NUMBER WHEN SHE ASKS FOR IT

When you dial a number that is outside your toll-free calling area, automatic equipment records everything about your call except your number. You'll hear an Operator ask you for your number after you've dialed your call. She'll record it as the call is being completed.

TO OBTAIN THE DISTANT AREA CODE

A partial list of places you can dial direct and their Area Codes is shown on pages 5 - 6. If the called place is not listed, dial Operator and ask her if it can be dialed.

LONG DISTANCE INFORMATION (To Obtain the Telephone Number)

You can dial the Information Operator serving many distant places—those starred on pages 5-6—without charge.

First dial 1, then dial the Area Code (if it is different from the one for the telephone you are using) then 555-1212. When the Information Operator answers, first give her the city or town, then the name and address you are calling.

If the place you are calling is not starred, dial Operator and ask for Information in the distant city.

IF YOU REACH A WRONG NUMBER

Dial Operator immediately and tell her what town you reached so you will not be billed for the call.

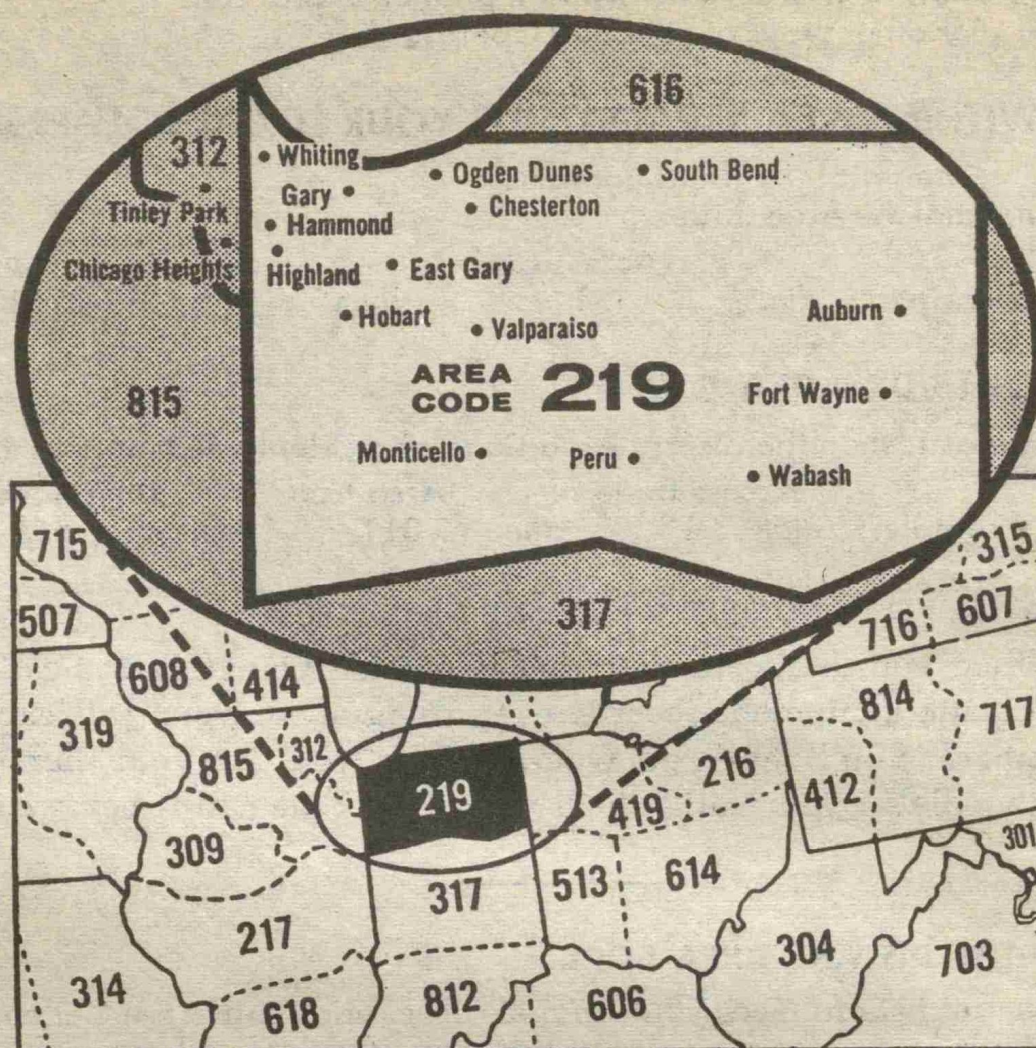

YOU WILL NOT BE CHARGED

- If you hang up before you dial the complete telephone number.
- If the telephone you dial is busy or does not answer.
- If you call Information in a distant city for a telephone number.

IF YOU NEED ASSISTANCE, DIAL OPERATOR

She will be glad to help you.

Area Codes *Speed Your Long Distance Calls*

For faster long distance calling the United States and Canada are divided into more than 100 telephone areas, each identified by a three-digit Area Code. Indiana is divided into three numbering plan areas. **Your Area Code is 219** (see map).

Dial the Area Code when different from that of the telephone you are using. Do not dial the Area Code when it is the same.

Even on calls you must place with the Long Distance Operator, the Area Code will help you get them through faster. Just give her the Area Code (if it is different from the one for the phone you are using) and the telephone number you want. For example, say "Area Code 311, 555-2368."

A partial list of places that can be reached by Area Codes is shown on pages 5-6. If you want the Area Code for a place not listed, the Operator will be glad to provide it.

LONG DISTANCE BARGAINS FIT YOUR DIFFERENT NEEDS

After 6 p.m. and any time Sunday

Long distance rates are reduced on most calls from 6 p.m. to 4:30 a.m. every day and any time Sunday, Thanksgiving, Christmas and New Year's Day. Time at the calling point determines the rate to be applied.

Further savings after 9 p.m. every day on station-to-station calls

... Calls within Indiana: The initial talking period is six minutes for station-

to-station calls made within Indiana after 9 pm.

... Calls crossing state lines to points more than 220 miles away: Call anywhere in the country, except Alaska and Hawaii, for \$1.00 or less plus tax for the first three minutes.

... Calls up to 220 miles continue at the 6 pm rate—already less than \$1.00.

Person-to-person calls

After 9 rates do NOT apply to person-to-person calls. The lowest rate begins at 6 p.m. for these calls.

Helpful Information

YOUR TELEPHONE NUMBER IS IMPORTANT

It's smart to make it easy for people to reach you. So why not include your telephone number on your stationery, statements and all advertising pieces? Show your Area Code, too—it helps distant parties call you faster.

For example: Telephone

Area Code 311
555-2368

OUT-OF-TOWN DIRECTORIES

Chicago Alphabetical and Chicago Suburban North, South and West directories are available at no charge to you.

Directories of other cities may be obtained at a nominal charge.

Call your Service Representative—See page 1.

RECORDED TELEPHONE CONVERSATIONS

("Beep" tone)

If you hear a "beep" tone at fifteen-second intervals, your telephone conversation is being recorded by the person you are talking to. This signal is transmitted automatically whenever a recording machine is connected to the line. It is for your protection.

If you do not want a record made of what you are saying, ask the person with whom you're talking to disconnect the recording machine. The "beep" signal will stop when the recorder is disconnected.

Use of a recorder without this signal is contrary to Company tariffs and is not permitted.

TELEGRAMS BY TELEPHONE

You may telephone telegrams, cablegrams, or radiograms to the Western Union Telegraph company and have the charges appear on your telephone bill. You may also telephone your Western Union telegrams from coin telephones, paying as you would for a telephone call.

EMPLOYEE IDENTIFICATION CARDS

For your protection, any employee who visits customer premises carries an official identification card showing his or her name, photograph and signature. If you have the slightest doubt about anyone who says he's "from the Telephone Company," ask to see his card.
